

We also encourage all parents to support local suppliers to benefit our local community. The following are some local suppliers who could be approached....

### Wimmera Office Equipment

Harvey Norman

Betta Electrical

## BRING YOUR OWN DEVICE

**In 2016 Horsham College transitioned to BYOD 'Bring Your Own Device' to enable all students in 2018 to BYOD for 1:1 mobile computer learning!**

It is important to note:

This program will create opportunities for our students. Parents can now choose the technology that best suits their child. BYOD enables parents to ensure their child has a 1:1 mobile computer device to support their learning.

A BYOD computer must comply with the Horsham College Technical Specifications and be used as described in the College's Acceptable Use Agreement. Horsham College offers two BYOD options:

1. JB Portal. A computer bought through the JB Education Portal meets all the requirements listed in this document.
2. BYOD Local Supplier or previously purchased device already being used. If a student is to bring their own computer for learning it must meet the Device Specifications listed in this document. If you decide your child is going to bring their own device, this document will provide you with the necessary specifications to ensure the device meets the minimum system requirements.

JB SOLUTIONS BYOD portal

School Access

LAPTOPS TABLETS ACCESSORIES BUNDLES INSURANCE FLEXIBLE PAYMENT OPTIONS WARRANTY

ENTER SCHOOL CODE

Laptops provided by JB Hi-Fi Education Solutions are Robust and designed for education. They all feature three year onsite warranty from the manufacturer. There is optional insurance to cover against accidental damage and theft if you wish to take it up.

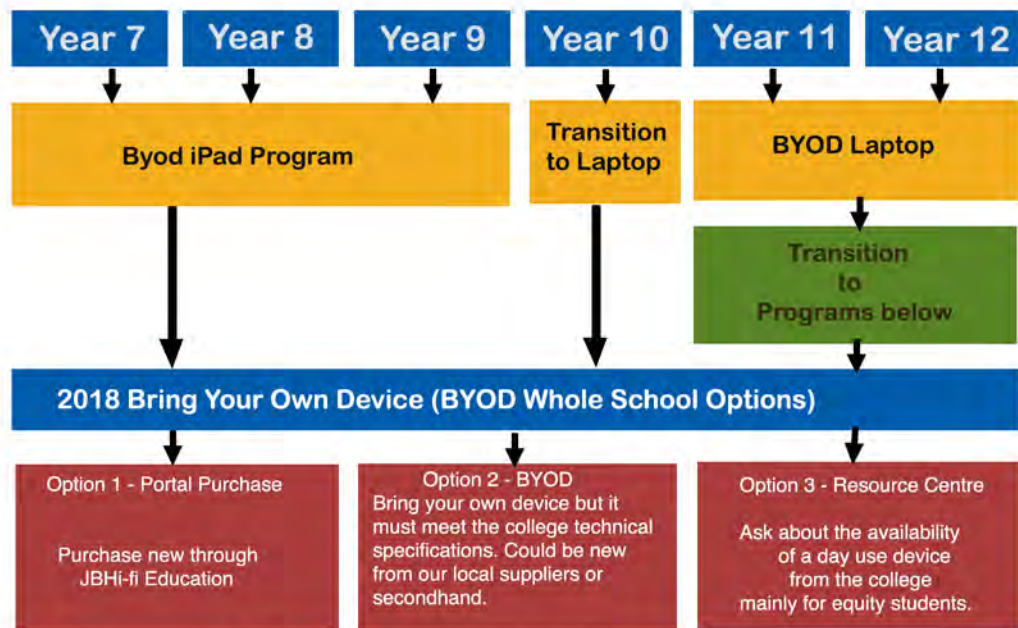

**School Code: horc2018**

## 1:1 Summary Chart - 2018

### 1:1 Summary Chart - 2018 Explained

#### CURRENT

**Year 7 2018** - will begin the Horsham College BYOD iPad program

**Year 8 & 9 iPad program** - iPads will continue to be used in 2018

**Year 10** - will transition from their iPads to Laptops in 2018. HC strongly advises transition to laptop particularly for academic subjects, however if the iPad is appropriate students can use this. A device however is required

#### BYOD

Horsham College's preferred BYOD approach. Purchase a Horsham College approved device through the JB Hifi Portal OR Preferred Local Supplier

**BYOD:** If you already have a device. Bring Your Own Device if it meets the minimum technical specifications and has been registered with Horsham College. Students can download all required software from the Department of Education & Training's Edustar portal [www.edustar.vic.edu.au](http://www.edustar.vic.edu.au)

#### OTHER

**Years 11 & 12 2018** - will be on the Horsham College BYOD program unless otherwise arranged. Year 12 - 2017: students must return their device if it is school owned at the close of exams 2017.

#### Horsham College Bond Program:

The College has available Acer computers in good working order that can be supplied to students on a 24/7 basis on payment of \$100 (This option is on a case by case situation)

## Minimum Specifications for Independently Purchased BYOD (Not JB Hi-fi) Computers.
