

# iPads for Learning – Bundled & Apps for Parents to Download

## General Information

An app (short for application) is a program that can be downloaded onto your iPad via the iTunes store - located on your computer or iPad. Websites can be accessed through Safari, the web browser on your iPad. The list below are the Apps that are required for download onto the iPad in preparation for the school year. Please keep your apps up-to-date on your child's iPad.

Note- Subject teachers may also contact you throughout the year to add additional apps.
