*Seizing opportunities for a better future*

*Horsham College is a Child Safe School*

Dear Parent/Guardian,

Horsham College is looking forward to another great year of teaching and learning and would like to advise you of Horsham College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to run a wider offering of subjects and special curriculum experiences such as; College Production; AFL Academy and Peak Performance programs, College Chaplaincy and Student Wellbeing support.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
