

Dear Parent/Guardian

Horsham College is looking forward to another great year of teaching and learning and would like to advise you of Horsham College's voluntary financial contributions for 2025.

The College Council and school Leadership Team is very proud to be able to continue to provide a high-quality education and experience to our students at a low cost. We understand the additional costs of education in regards uniform, textbooks and IT devices, and will continue to work with families to maintain standards in an affordable manner.

Curriculum contributions are used to directly support

- subject programs
- our brilliant Student Wellbeing Team
- Student Welfare Programs
- school managed capital works such as the new Music, Arts, Textiles, Engineering and Automotive classrooms.

Schools in Victoria are expected to provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Within our school this support has allowed us to run a wider offering of subjects and special curriculum experiences such as; College Production, AFL Academy and Peak Performance programs, College Chaplaincy and Student Wellbeing support.

We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely
